Introduction

ST STEPHEN'S HOUSE

St Stephen's House has been an Anglican Theological College in Oxford training candidates for ordination in the catholic tradition since 1876. Since 2003 it has been a Permanent Private Hall of the University of Oxford. The primary mission of the institution remains ministerial formation, and over half of its students train for ordination. St Stephen's House defines itself as an Anglican theological foundation in the University of Oxford, offering formation, education and training for a variety of qualifications.

We aim to be:

- an organisation of Christians, rooted in the catholic tradition, helping the church give faithful witness to Christ in contemporary society;
- a college that offers the best possible teaching at every level;
- a community centred in prayer and worship; and
- a context encouraging disciplined study, academic research and personal reflection.

The success of any organisation and that of its employees depends very largely on the employees themselves, and so we look to you to play your part as we shall continue to play ours.

We provide equal opportunities and are committed to the principle of equality regardless of race, colour, ethnic or national origin, religious belief, political opinion or affiliation, sex, marital status, sexual orientation, gender reassignment, age or disability. We will apply employment policies that are fair, equitable and consistent with the skills and abilities of our employees and the needs of the College. We look to your support in implementing these policies to ensure that all employees are accorded equal opportunity for recruitment, training and promotion and, in all jobs of like work, on equal terms and conditions of employment.

We will not condone any discriminatory act or attitude in the conduct of our College with the public or our employees. Acts of harassment or discrimination on the grounds of race, colour, ethnic or national origin, religious belief, political opinion or affiliation, sex, marital status, sexual orientation, gender reassignment, age or disability are disciplinary offences.

We welcome you and express our sincere hope that you will be happy here in our team. We ask that you study carefully the contents of this employee handbook as, in addition to setting out our rules and regulations, it also contains a great deal of helpful information.

Joining Our Organisation

A) PROBATIONARY PERIOD

You join us on an initial probationary period as advised. During this period your work performance and general suitability will be assessed and, if it is satisfactory, your employment will continue. However, if your work performance is not up to the required standard, or you are considered to be generally unsuitable, we may either take remedial action (which may include the extension of your probationary period) or terminate your employment at any time.

We reserve the right not to apply our full contractual capability and disciplinary procedures during your probationary period.

B) EMPLOYEE TRAINING

At the commencement of your employment you will receive training for your specific job, and as your employment progresses your skills may be extended to encompass new job activities within the College. It is a condition of your employment that you participate in any training deemed necessary by us for you to reach the required levels of attainment standards.

C) INDUCTION

At the start of your employment with our College you are required to complete an induction programme, during which all our policies and procedures (including Health and Safety) will be explained to you. Information relating to these will be given to you at the induction.

D) JOB DESCRIPTION

Amendments may be made to your job description from time to time in relation to our changing needs and your own ability.

E) STAFF APPRAISAL SCHEME

We have a staff appraisal scheme in place for the purpose of monitoring staff performance levels with a view to maximising the effectiveness of individuals, details of which are available separately.

F) JOB FLEXIBILITY

It is an express condition of employment that you are prepared, whenever necessary, to undertake alternative duties within your department. During holiday periods, etc. it may be necessary for you to take over some duties normally performed by colleagues. This flexibility is essential as the type and volume of work is always subject to change, and it allows the College to operate efficiently and gain maximum potential from our staff.

G) TRAINING AGREEMENT

The College has a policy of encouraging its employees to undertake training in order to further their career and/or development within the organisation along with maintaining existing qualifications where appropriate. This will include assisting with costs of the training. However, in the event of termination of employment, for whatever reason, the College will seek reimbursement of the costs in line with the Training Agreement. Further details are available separately.

H) DISCLOSURE AND BARRING CERTIFICATE(S)

Your initial employment is conditional upon the provision of a satisfactory Disclosure and Barring Certificate of a level appropriate to your post. You may be required to undertake subsequent criminal record checks from time to time during your employment as deemed appropriate by the College. In the event that such certificate(s) are not supplied your employment with us will be terminated.

Data collected about criminal convictions will be processed in line with the Data Protection Act. You may read more about the data we hold on you, why we hold it and the lawful basis that applies in the employee privacy notice.

Salaries, etc

A) ADMINISTRATION

1) Payment

- a) For all staff the pay period is the calendar month. Basic salaries are paid by the 25th day of the current month and overtime/commission payments are paid one month in arrears.
- b) You will receive a payslip showing how the total amount of your pay has been calculated. It will also show the deductions that have been made and the reasons for them, e.g. Income Tax, National Insurance, etc.
- c) Any pay queries that you may have should be raised with the Bursar.

2) Overpayments

If you are overpaid for any reason, the total amount of the overpayment will normally be deducted from your next payment but if this would cause hardship, arrangements may be made for the overpayment to be recovered over a longer period.

3) Income Tax and National Insurance

At the end of each tax year you will be given a form P60 showing the total pay you have received from us during that year and the amount of deductions for Income Tax and National Insurance. You may also be given a form P11D showing non-salary benefits. You should keep these documents in a safe place as you may need to produce them for tax purposes.

B) LATENESS/ABSENTEEISM

- 1) You must attend for work punctually at the specified time(s) and you are required to comply strictly with any time recording procedures relating to your work.
- 2) All absences must be notified in accordance with the sickness reporting procedures laid down in this Employee Handbook.
- 3) Lateness or absence may result in disciplinary action and/or loss of appropriate payment.

C) PENSION SCHEME

We operate a contributory pension scheme which you will be auto-enrolled into (subject to the conditions of the scheme). The scheme enables you to save for your retirement using your own money, together with tax relief and contributions from the College. Further details are available separately.

Holiday Entitlement and Conditions

A) ANNUAL HOLIDAYS

- 1) Your annual holiday entitlement is shown in your individual Statement of Main Terms of Employment (Form SMT).
- 2) It is our policy to encourage you to take all of your holiday entitlement in the current holiday year. We do not permit holidays to be carried forward and no payment in lieu will be made in respect of untaken holidays other than in the event of termination of your employment.
- 3) You must complete the holiday request form and have it signed by your Manager before you make any firm holiday arrangements.
- 4) Holiday dates will normally be allocated on a "first come - first served" basis whilst ensuring that operational efficiency and appropriate staffing levels are maintained throughout the year.
- 5) You should give as much notice as possible of your intention to take holidays, and in any event the notice period must be at least twice the length of the holiday to be taken.
- 6) You may not normally take more than two working weeks consecutively.
- 7) Payment for holidays will be at the rate shown in your individual Statement of Main Terms of Employment.
- 8) You are required to reserve sufficient days from your annual entitlement to cover the Christmas/New Year shut-down period. If you have not accrued sufficient holiday entitlement to cover this period you will be given unpaid leave of absence.

B) PUBLIC/BANK HOLIDAYS

Your entitlement to public/bank holidays (and to any additional payment which may be made for working on a public/bank holiday) is shown in your individual Statement of Main Terms of Employment.

Sickness/Injury Payments and Conditions

A) NOTIFICATION OF INCAPACITY FOR WORK

- 1) You must notify us by telephone on the first day of incapacity at the earliest possible opportunity. Other than in exceptional circumstances notification should be made personally, to your Manager.
- 2) You should try to give some indication of your expected return date and notify us as soon as possible if this date changes. The notification procedures should be followed on each day of absence unless you are covered by a medical certificate.
- 3) If your incapacity extends to more than seven calendar days you are required to notify us of your continued incapacity once a week thereafter, unless otherwise agreed.

B) EVIDENCE OF INCAPACITY

- 1) Medical certificates are not issued for short-term incapacity. In these cases of incapacity (up to and including seven calendar days) you must sign a self-certification absence form on your return to work.
- 2) If your sickness has been (or you know that it will be) for longer than seven days (whether or not they are working days) you should see your doctor and make sure he/she gives you a medical certificate and forward this to us without delay. Subsequently you must supply us with consecutive medical certificates to cover the whole of your absence.

C) PAYMENTS

- 1) You are entitled to statutory sick pay (SSP) if you are absent for four or more consecutive days because of sickness or injury provided you meet the statutory qualifying conditions. SSP is treated like wages and is subject to normal deductions.
- 2) Qualifying days are the only days for which you are entitled to SSP. These days are normally your working days unless otherwise notified to you. The first three qualifying days of absence are waiting days for which SSP is not payable. Where a second or subsequent period of incapacity (of four days or more) occurs within 56 days of a previous period of incapacity, waiting days are not served again.
- 3) Any contractual sickness/injury payments are shown in your individual Statement of Main Terms of Employment.
- 4) Any days of contractual sickness/injury payments which qualify for SSP will be offset against SSP on a day-to-day basis. A deduction will be made for any other state benefits received if you are excluded or transferred from SSP.
- 5) If you are entitled to any payments in excess of SSP and your entitlement expires, full or part payment may be allowed at our discretion where it is considered that there are special circumstances warranting it.
- 6) Where the circumstances of your incapacity are such that you receive or are awarded any sum by way of compensation or damages in respect of the incapacity from a third party, then any payments which we may have made to you because of the absence (including SSP) shall be repaid by you to us up to an amount not exceeding the amount of the compensation or damages paid by the third party and up to, but not exceeding, any amount paid by us.

D) RETURN TO WORK

- 1) You should notify your Manager as soon as you know on which day you will be returning to work, if this differs from a date of return previously notified.
- 2) If you have been suffering from an infectious or contagious disease or illness such as rubella or hepatitis you must not report for work without clearance from your own doctor.
- 3) Separate rules relating to infectious diseases and those whose duties may involve handling food are to be found later in this handbook and, if appropriate to your duties, you must familiarise yourself with them.
- 4) On return to work after any period of sickness/injury absence (including absence covered by a medical certificate), you are also required to complete a self-certification absence form and hand this to your Manager.
- 5) Upon returning to work after any period of sickness/injury absence, you may be required to attend a “return to work” interview to discuss the state of your health and fitness for work. Information arising from such an interview will be treated with strictest confidence.

E) GENERAL

- 1) Submission of a medical certificate or sickness self-certification absence form, although giving us the reason for your absence may not always be regarded by us as sufficient justification for accepting your absence. Sickness is just one of a number of reasons for absence and although it is understandable that if you are sick you may need time off, continual or repeated absence through sickness may not be acceptable to us.
- 2) In deciding whether your absence is acceptable or not we will take into account the reasons and extent of all your absences, including any absence caused by sickness/injury. We cannot operate with an excessive level of absence as all absence, for whatever reason, reduces our efficiency.
- 3) We will take a serious view if you take sickness/injury leave which is not genuine, and it will result in disciplinary action being taken.
- 4) If we consider it necessary, we may ask your permission to contact your doctor and/or for you to be independently medically examined.

Where personal views are expressed a disclaimer stating that this is the case should be clearly added to all correspondence. The intellectual property right and copyright must not be compromised when publishing on the Internet. The availability and variety of information on the Internet has meant that it can be used to obtain material reasonably considered to be offensive. If driving is a necessary part of your role it is imperative that you maintain a valid driving licence suitable for the vehicle you operate at all times during your employment. You are required upon request to produce your driving licence to the management. We may also require you to provide us with the ability to access your driving licence details online. If at any time your licence is endorsed, or you are disqualified from driving, we must be informed immediately. If you are required to drive as part of your job and we are unable to find alternative employment, your employment may be terminated.

If you are required to drive as part of your job and we are unable to find alternative employment, your employment may be terminated.

Data collected about driving licences will be processed in line with the Data Protection Act. You may read more about the data we hold on you, why we hold it and the lawful basis that applies in the employee privacy notice.

N) CAR INSURANCE

If your position requires you to use your own car for College purposes, you must ensure that your car insurance provides adequate cover. Proof of adequate insurance, Driving Licence, Tax and an MOT Certificate must be produced for scrutiny by the College, upon renewal and at any time when so requested.

O) THIRD PARTY INVOLVEMENT

We reserve the right to allow third parties to chair any meeting, for example disciplinary, capability, grievance, this is not an exhaustive list. We will seek your consent at the relevant time to share relevant 'special categories of data' where it is necessary for the purposes of that hearing.

P) RECORDING OF FORMAL MEETINGS

We reserve the right to record any formal meetings whether conducted by us or a third party, a copy of the recording can be made available on request. All personal data collected for this purpose will be processed in line with the current Data Protection Act.

Anti-Bribery Policy

A) INTRODUCTION

Bribery is a criminal offence. The College prohibits any form of bribery. We require compliance, from everyone connected with our College, with the highest ethical standards and anti-bribery laws applicable. Integrity and transparency are of utmost importance to us and we have a zero tolerance attitude towards corrupt activities of any kind, whether committed by employees or by third parties acting for or on behalf of the College.

B) POLICY

It is prohibited, directly or indirectly, for any employee or person working on our behalf to offer, give, request or accept any bribe i.e. gift, loan, payment, reward or advantage, either in cash or any other form of inducement, to or from any person or College in order to gain commercial, contractual or regulatory advantage for the College, or in order to gain any personal advantage for an individual or anyone connected with the individual in a way that is unethical.

C) SUSPICION

If we suspect that you have committed an act of bribery or attempted bribery, an investigation will be carried out and, in line with our disciplinary procedure where appropriate, action may be taken against you which may result in your dismissal, or the cessation of our College arrangement with you.

D) REPORTING

If you, as an employee or person working on our behalf, suspect that an act of bribery or attempted bribery has taken place, even if you are not personally involved, you are expected to report this to the Bursar. You may be asked to give a written account of events.

Staff are reminded of the College's Whistleblowing Policy which is available in this Employee Handbook.

E) GIFTS AND HOSPITALITY

We realise that the giving and receiving of gifts and hospitality as a reflection of friendship or appreciation where nothing is expected in return may occur, or even be commonplace, in our industry. This does not constitute bribery where it is proportionate and recorded properly.

No gift should be given nor hospitality offered by an employee or anyone working on our behalf to any party in connection with our College without receiving prior written approval from your Manager.

Similarly, no gift or offer of hospitality should be accepted by an employee or anyone working on our behalf without receiving prior written approval from your Manager.

F) RECORD KEEPING

A record will be made by your Manager of every instance in which gifts or hospitality are given or received.

As the law is constantly changing, this policy is subject to review and the College reserves the right to amend this policy without prior notice.

Whistle-blowers

A) INTRODUCTION

Under certain circumstances, employees are protected from suffering any detriment or termination of employment if they make disclosures about organisations for whom they work.

B) QUALIFYING DISCLOSURES

- 1) Certain disclosures are prescribed by law as “qualifying disclosures”. A “qualifying disclosure” means a disclosure of information that the employee genuinely and reasonably believes is in the public interest and shows that the College has committed a “relevant failure” by:
 - a) committing a criminal offence;
 - b) failing to comply with a legal obligation;
 - c) a miscarriage of justice;
 - d) endangering the health and safety of an individual;
 - e) environmental damage; or
 - f) concealing any information relating to the above.
- 2) These acts can be in the past, present or future, so that, for example, a disclosure qualifies if it relates to environmental damage that has happened, is happening, or is likely to happen. The College will take any concerns that you may raise relating to the above matters very seriously.
- 3) The Employment Rights Act 1996 provides protection for workers who ‘blow the whistle’ where they reasonably believe that some form of illegality, injustice or breach of health and safety has occurred or is likely to occur. The disclosure has to be “in the public interest”. We encourage you to use the procedure to raise any such concerns.

C) THE PROCEDURE

- 1) In the first instance you should report any concerns you may have to the Bursar who will treat the matter with complete confidence. If you are not satisfied with the explanation or reason given to you, you should raise the matter with the appropriate official organisation or regulatory body.
- 2) If you do not report your concerns to the Bursar you should take them direct to the appropriate organisation or body.

D) TREATMENT BY OTHERS

Bullying, harassment or any other detrimental treatment afforded to a colleague who has made a qualifying disclosure is unacceptable. Anyone found to have acted in such a manner will be subject to disciplinary action.

Capability Procedures

A) INTRODUCTION

We recognise that during your employment with us your capability to carry out your duties may deteriorate. This can be for a number of reasons, the most common ones being that either the job changes over a period of time and you fail to keep pace with the changes, or you change (most commonly because of health reasons) and you can no longer cope with the work.

B) JOB CHANGES/GENERAL CAPABILITY ISSUES

- 1) If the nature of your job changes or if we have general concerns about your ability to perform your job we will try to ensure that you understand the level of performance expected of you and that you receive adequate training and supervision. Concerns regarding your capability will normally first be discussed in an informal manner and you will be given time to improve.
- 2) If your standard of performance is still not adequate you will be warned in writing that a failure to improve and to maintain the performance required could lead to your dismissal. We will also consider the possibility of a transfer to more suitable work if possible.
- 3) If there is still no improvement after a reasonable time and we cannot transfer you to more suitable work, or if your level of performance has a serious or substantial effect on our organisation or reputation, you will be issued with a final warning that you will be dismissed unless the required standard of performance is achieved and maintained.
- 4) If such improvement is not forthcoming after a reasonable period of time, you will be dismissed with the appropriate notice.

C) PERSONAL CIRCUMSTANCES/HEALTH ISSUES

- 1) Personal circumstances may arise which do not prevent you from attending for work but which prevent you from carrying out your normal duties (e.g. a lack of dexterity or general ill health). If such a situation arises, we will normally need to have details of your medical diagnosis and prognosis so that we have the benefit of expert advice. Under normal circumstances this can be most easily obtained by asking your own doctor for a medical report. Your permission is needed before we can obtain such a report and we will expect you to co-operate in this matter should the need arise. When we have obtained as much information as possible regarding your condition and after consultation with you, a decision will be made about your future employment with us in your current role or, where circumstances permit, in a more suitable role.
- 2) There may also be personal circumstances which prevent you from attending work, either for a prolonged period(s) or for frequent short absences. Under these circumstances we will need to know when we can expect your attendance record to reach an acceptable level. This may again mean asking your own doctor for a medical report or by making whatever investigations are appropriate in the circumstances. When we have obtained as much information as possible regarding your condition, and after consultation with you, a decision will be made about your future employment with us in your current role or, where circumstances permit, in a more suitable role.

D) SHORT SERVICE STAFF

We retain discretion in respect of the capability procedures to take account of your length of service and to vary the procedures accordingly. If you have a short amount of service, you may not be in receipt of any warnings before dismissal.

Disciplinary Procedures

A) INTRODUCTION

- 1) It is necessary to have a minimum number of rules in the interests of the whole organisation.
- 2) The rules set standards of performance and behaviour whilst the procedures are designed to help promote fairness and order in the treatment of individuals. It is our aim that the rules and procedures should emphasise and encourage improvement in the conduct of individuals, where they are failing to meet the required standards, and not be seen merely as a means of punishment. We reserve the right to amend these rules and procedures where appropriate.
- 3) Every effort will be made to ensure that any action taken under this procedure is fair, with you being given the opportunity to state your case and appeal against any decision that you consider to be unjust.
- 4) The following rules and procedures should ensure that:
 - a) the correct procedure is used when requiring you to attend a disciplinary hearing;
 - b) you are fully aware of the standards of performance, action and behaviour required of you;
 - c) disciplinary action, where necessary, is taken speedily and in a fair, uniform and consistent manner;
 - d) you will only be disciplined after careful investigation of the facts and the opportunity to present your side of the case. On some occasions temporary suspension on contractual pay may be necessary in order that an uninterrupted investigation can take place. This must not be regarded as disciplinary action or a penalty of any kind;
 - e) other than for an "off the record" informal reprimand, you have the right to be accompanied by a fellow employee at all stages of the formal disciplinary process;
 - f) you will not normally be dismissed for a first breach of discipline, except in the case of gross misconduct; and
 - g) if you are disciplined, you will receive an explanation of the penalty imposed and you will have the right to appeal against the finding and the penalty.

B) DISCIPLINARY RULES

It is not practicable to specify all disciplinary rules or offences that may result in disciplinary action, as they may vary depending on the nature of the work. In addition to the specific examples of unsatisfactory conduct, misconduct and gross misconduct shown in this handbook, a breach of other specific conditions, procedures, rules etc. that are contained within this handbook or that have otherwise been made known to you, will also result in this procedure being used to deal with such matters.

C) RULES COVERING UNSATISFACTORY CONDUCT AND MISCONDUCT

(These are examples only and not an exhaustive list.)

You will be liable to disciplinary action if you are found to have acted in any of the following ways:

- a) failure to abide by the general health and safety rules and procedures;
- b) smoking in designated non-smoking areas;
- c) consumption of alcohol on the premises;
- d) persistent absenteeism and/or lateness;
- e) unsatisfactory standards or output of work;
- f) rudeness towards clients, members of the public or other employees, objectionable or insulting behaviour, harassment, bullying or bad language;
- g) failure to devote the whole of your time, attention and abilities to our College and its affairs during your normal working hours;
- h) unauthorised use of e-mail and internet;
- i) failure to carry out all reasonable instructions or follow our rules and procedures;
- j) unauthorised use or negligent damage or loss of our property; and
- k) failure to report immediately any damage to property or premises caused by you.

D) SERIOUS MISCONDUCT

- 1) Where one of the unsatisfactory conduct or misconduct rules has been broken and if, upon investigation, it is shown to be due to your extreme carelessness or has a serious or substantial effect upon our operation or reputation, you may be issued with a final written warning in the first instance.
- 2) You may receive a final written warning as the first course of action, if, in an alleged gross misconduct disciplinary matter, upon investigation, there is shown to be some level of mitigation resulting in it being treated as an offence just short of dismissal.

E) RULES COVERING GROSS MISCONDUCT

Occurrences of gross misconduct are very rare because the penalty is dismissal without notice and without any previous warning being issued. It is not possible to provide an exhaustive list of examples of gross misconduct. However, any behaviour or negligence resulting in a fundamental breach of contractual terms that irrevocably destroys the trust and confidence necessary to continue the employment relationship will constitute gross misconduct. Examples of offences that will normally be deemed as gross misconduct include serious instances of:

- a) theft or fraud;
- b) physical violence or bullying;
- c) deliberate damage to property;
- d) deliberate acts of unlawful discrimination or harassment;
- e) possession, or being under the influence, of drugs* at work; and

*For this purpose, the term ‘drugs’ is used to describe both illegal drugs and other psychoactive (mind-altering) substances which may or may not be illegal.

- f) breach of health and safety rules that endangers the lives of, or may cause serious injury to, employees or any other person.

(The above examples are illustrative and do not form an exhaustive list.)

F) DISCIPLINARY PROCEDURE

- 1) Disciplinary action taken against you will be based on the following procedure:

OFFENCE	FIRST OCCASION	SECOND OCCASION	THIRD OCCASION	FOURTH OCCASION
Unsatisfactory Conduct	Formal verbal warning	Written Warning	Final written warning	Dismissal
Misconduct	Written Warning	Final written Warning	Dismissal	
Serious misconduct	Final written warning	Dismissal		
Gross misconduct	Dismissal			

- 2) We retain discretion in respect of the disciplinary procedures to take account of your length of service and to vary the procedures accordingly. If you have a short amount of service you may not be in receipt of any warnings before dismissal.
- 3) If a disciplinary penalty is imposed it will be in line with the procedure outlined above, which may encompass a formal verbal warning, written warning, final written warning, or dismissal, and full details will be given to you.
- 4) In all cases warnings will be issued for misconduct, irrespective of the precise matters concerned, and any further breach of the rules in relation to similar or entirely independent matters of misconduct will be treated as further disciplinary matters and allow the continuation of the disciplinary process through to dismissal if the warnings are not heeded.

G) DISCIPLINARY AUTHORITY

The operation of the disciplinary procedure contained in the previous section, is based on the following authority for the various levels of disciplinary action. However, the list does not prevent a higher or lower level of seniority, in the event of the appropriate level not being available, or suitable, progressing any action at whatever stage of the disciplinary process.

ALL EMPLOYEES	
Formal verbal warning	Bursar/Principal
Written warning	Bursar/Principal
Final written warning	Bursar/Principal
Dismissal	Bursar/Principal

H) PERIOD OF WARNINGS

- 1) Formal verbal warning

A formal verbal warning will normally be disregarded for disciplinary purposes after a three month period.

- 2) Written warning

A written warning will normally be disregarded for disciplinary purposes after a six month period.

- 3) Final written warning

A final written warning will normally be disregarded for disciplinary purposes after a twelve month period.

I) GENERAL NOTES

- 1) If you are in a supervisory or Managerial position then demotion to a lower status at the appropriate rate may be considered as an alternative to dismissal except in cases of gross misconduct.
- 2) In exceptional circumstances, suspension from work without pay for up to five days as an alternative to dismissal (except dismissal for gross misconduct) may be considered by the person authorised to dismiss.
- 3) Gross misconduct offences will result in dismissal without notice.
- 4) You have the right to appeal against any disciplinary action.

Capability/Disciplinary Appeal Procedure

- 1) You have the right to lodge an appeal in respect of any capability/disciplinary action taken against you.
- 2) If you wish to exercise this right you should apply either verbally or in writing to the person indicated in your individual Statement of Main Terms of Employment.
- 3) An appeal against a formal warning or dismissal should give details of why the penalty imposed is too severe, inappropriate or unfair in the circumstances.
- 4) The appeal procedure will normally be conducted by a member of staff not previously connected with the process so that an independent decision into the severity and appropriateness of the action taken can be made.
- 5) If you are appealing on the grounds that you have not committed the offence then your appeal may take the form of a complete re-hearing and reappraisal of all matters so that the person who conducts the appeal can make an independent decision before deciding to grant or refuse the appeal.
- 6) You may be accompanied at any stage of the appeal hearing by a fellow employee of your choice. The result of the appeal will be made known to you in writing, normally within five working days after the hearing.

Grievance Procedure

- 1) It is important that if you feel dissatisfied with any matter relating to your employment you should have an effective means by which such a grievance can be aired and, where appropriate, resolved.
- 2) Nothing in this procedure is intended to prevent you from informally raising any matter you may wish to mention. Informal discussion can frequently solve problems without the need for a written record. However, if you wish to raise a formal grievance you should normally do so in writing from the outset.
- 3) You have the right to be accompanied at any stage of the procedure by a fellow employee who may act as a witness or speak on your behalf to explain the situation more clearly.
- 4) If you feel aggrieved at any matter relating to your work (except personal harassment, for which there is a separate procedure following this section), you should first raise the matter with the person specified in your Statement of Main Terms of Employment, explaining fully the nature and extent of your grievance. You will then be invited to a meeting at a reasonable time and location at which your grievance will be investigated fully. You must take all reasonable steps to attend this meeting. You will be notified of the decision, in writing, normally within ten working days of the meeting, including your right of appeal.
- 5) If you wish to appeal you must inform the Bursar within five working days. You will then be invited to a further meeting, which you must take all reasonable steps to attend. As far as reasonably practicable, the College will be represented by a more Senior Manager than attended the first meeting (unless the most Senior Manager attended that meeting).
- 6) Following the appeal meeting you will be informed of the final decision, normally within ten working days, which will be confirmed in writing.

Personal Harassment Policy and Procedure

A) INTRODUCTION

- 1) Harassment or victimisation on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy or maternity, race, religion or belief, sex or sexual orientation is unacceptable.
- 2) Personal harassment takes many forms but whatever form it takes, personal harassment is always serious and is totally unacceptable.

B) POLICY

We deplore all forms of personal harassment and seek to ensure that the working environment is sympathetic to all our employees.

C) COMPLAINING ABOUT PERSONAL HARASSMENT

1) Informal complaint

If you are the victim of minor harassment you should make it clear to the harasser on an informal basis that their behaviour is unwelcome and ask the harasser to stop. If you feel unable to do this verbally then you should hand a written request to the harasser.

2) Formal complaint

Where the informal approach fails or if the harassment is more serious, you should bring the matter to the attention of your Manager as a formal written complaint.

The person dealing with the complaint will invite you to attend a meeting, at a reasonable time and location, to discuss the matter and carry out a thorough investigation. You have the right to be accompanied at such a meeting by your confidential helper or another work colleague of your choice and you must take all reasonable steps to attend. Those involved in the investigation will be expected to act in confidence and any breach of confidence will be a disciplinary matter.

On conclusion of the investigation, which will normally be within ten working days of the meeting with you, the decision of the investigator, detailing the findings, will be sent in writing to you.

You have the right to appeal against the findings of the investigator in accordance with the appeal provisions of the grievance procedure.

D) GENERAL NOTES

- 1) If the decision is that the allegation is well founded, the harasser will be liable to disciplinary action in accordance with our disciplinary procedure. An employee who receives a formal warning or who is dismissed for harassment may appeal by using our capability/disciplinary appeal procedure.
- 2) If you bring a complaint of harassment you will not be victimised for having brought the complaint. However if it is concluded that the complaint is both untrue and has been brought with malicious intent, disciplinary action will be taken against you.

Equal Opportunities Policy

A) STATEMENT OF POLICY

- 1) We recognise that discrimination is unacceptable and although equality of opportunity has been a long standing feature of our employment practices and procedure, we have made the decision to adopt a formal equal opportunities policy. Breaches of the policy will lead to disciplinary proceedings and, if appropriate, disciplinary action.
- 2) The aim of the policy is to ensure no job applicant, employee or worker is discriminated against either directly or indirectly on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy or maternity, race, religion or belief, sex or sexual orientation.
- 3) We will ensure that the policy is circulated to any agencies responsible for our recruitment and a copy of the policy will be made available for all employees and made known to all applicants for employment.
- 4) The policy will be communicated to all private contractors reminding them of their responsibilities towards the equality of opportunity.
- 5) The policy will be implemented in accordance with the appropriate statutory requirements and full account will be taken of all available guidance and in particular any relevant Codes of Practice.

- 2) Promotion and advancement will be made on merit and all decisions relating to this will be made within the overall framework and principles of this policy.
- 3) Job descriptions, where used, will be revised to ensure that they are in line with our equal opportunities policy. Job requirements will be reflected accurately in any personnel specifications.
- 4) We will adopt a consistent, non-discriminatory approach to the advertising of vacancies.
- 5) We will not confine our recruitment to areas or media sources which provide only, or mainly, applicants of a particular group.
- 6) All applicants who apply for jobs with us will receive fair treatment and will be considered solely on their ability to do the job.
- 7) All employees involved in the recruitment process will periodically review their selection criteria to ensure that they are related to the job requirements and do not unlawfully discriminate.
- 8) Short listing and interviewing will be carried out by more than one person where possible.
- 9) Interview questions will be related to the requirements of the job and will not be of a discriminatory nature.
- 10) We will not disqualify any applicant because he/she is unable to complete an application form unassisted unless personal completion of the form is a valid test of the standard of English required

for the safe and effective performance of the job.

- 11) Selection decisions will not be influenced by any perceived prejudices of other staff.

C) TRAINING AND PROMOTION

- 1) Senior staff will receive training in the application of this policy to ensure that they are aware of its contents and provisions.
- 2) All promotion will be in line with this policy.

D) MONITORING

- 1) We will maintain and review the employment records of all employees in order to monitor the progress of this policy.
- 2) Monitoring may involve:
 - a) the collection and classification of information regarding the race in terms of ethnic/national origin and sex of all applicants and current employees;
 - b) the examination by ethnic/national origin and sex of the distribution of employees and the success rate of the applicants; and
 - c) recording recruitment, training and promotional records of all employees, the decisions reached and the reason for those decisions.
- 3) The results of any monitoring procedure will be reviewed at regular intervals to assess the effectiveness of the implementation of this policy. Consideration will be given, if necessary, to adjusting this policy to afford greater equality of opportunities to all applicants and staff.

Termination of Employment

A) RESIGNATIONS

All resignations must be supplied in writing, stating the reason for resigning your post.

B) TERMINATING EMPLOYMENT WITHOUT GIVING NOTICE

If you terminate your employment without giving or working the required period of notice, as indicated in your individual Statement of Main Terms of Employment, you will have an amount equal to any additional cost of covering your duties during the notice period not worked deducted from any termination pay due to you. This is an express written term of your contract of employment. You will also forfeit any contractual accrued holiday pay due to you over and above your statutory holiday pay, if you fail to give or work the required period of notice.

C) RETURN OF OUR PROPERTY

On the termination of your employment you must return all our property which is in your possession or for which you have responsibility. Failure to return such items will result in the cost of the items being deducted from any monies outstanding to you. This is an express written term of your contract of employment.
